Investment Philosophy and Profile

The composition of the Underlying of this Structured Product is managed dynamically and discretionary over the course of its term.

The Investment Manager selects stocks with a focus on companies in the technology sector.

The sustainable tech basket consists of 25 equally weighted information and communications technology stocks of the S&P 500 universe. The stock selection is based on an ESG screening by our partner with a special focus on the Governance part. Moreover, it is essential that all three aspects, Environment, Social and Governance, should be addressed in an integrated fashion.

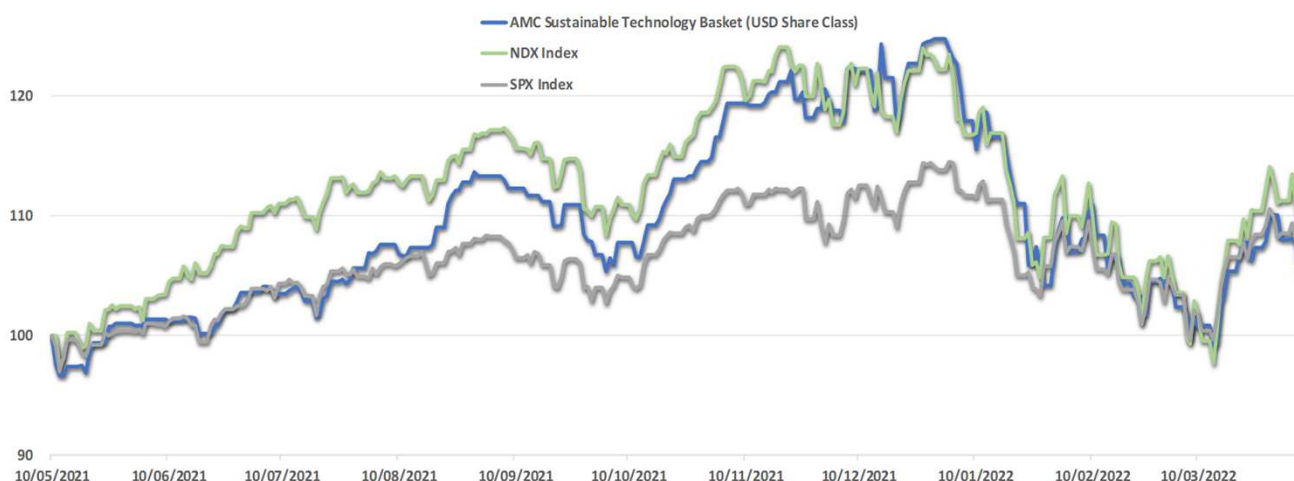

The Investment Manager can hold a cash position. The Investment Manager continuously ensures that the cash quota does not exceed 50% of the certificate value at any time.
